Wednesday 7th March from 9.30am to 2.30pm

## The Festival of Food and Farming

### Come and find out...

- where your food comes from
- how crops, fruit and plants are grown
- how to care for the environment
- more about careers and jobs that relate to the land and environment

### Have a go...

- try a range of practical activities
- meet the animals
- plant your own crops
- taste food produced at Bicton College
- come back to harvest and cook your crops

### Take a look...

- at animals, how they are reared and cared for
- at machinery, what is used to work on the land
- at our new Bicton EaRTH (Environmental and Renewable Technologies Hub)

### Meet ...

- Bicton students
- Bicton tutors & experts who know how to grow their own food and look after animals, big and small
